OOPS AWARD

Larry Dungey was the lucky winner of the oops award this.

There was a Club ride on March 8th. The group rode out of Edison Snow park and had a good time. Those who road mentioned how much they appreciate what a great job our groomers do, as they said the trails they road at Bachelor were pretty "bumpy".

The grooming at Paulina has now ended unless we get a lot more snow. There is still plenty of snow to ride – get out and enjoy the sunny days
